

NORTH TEXAS YOUTH FILM FESTIVAL

HOSTED BY STAGE RIGHT

From the Students of Stage Right; Creators of the North Texas Youth Film Festival

To Whom it May Concern,

We are writing on behalf of Stage Right, seeking sponsorships for our newly created event. It is our hope that you might consider sponsoring our FIRST ever annual **North Texas Youth Film Festival**.

Stage Right is a place that means so much to all of the students and families involved. Not only is it a place for our students to express themselves through the performing arts, but also for many kids and teenagers in the area to develop deep, long-lasting friendships and to work to make their community a better place all at the same time.

We, the students of this theater have sought to create the **North Texas Youth Film Festival** to give other youth in this area, a way to shine through these dark times and express their talents and voice through film. Technology may be foreign to some, but to this generation, it is engrained in our learning and leadership. It is through this event that freedom of expression in a healthy manner, can showcase the stories in our minds and the words on our hearts.

We know it is a lot to ask from any business to donate to our organization, especially given these hard times. We feel that the different sponsorship levels we have put together as a team will be monetarily beneficial to your organization, as well as give our event the funds it requires. Your donation **WILL** be considered a tax-write off, as we are a part of a non-profit 501(3)c.

Thank you in advance for your time and consideration.

Kind regards,

Stage Right Students
